

Alchemysteries Aromatics: aka Jitterbug Perfumes

Alchemysteries Aromatics are pure essential oils, organically processed whenever possible, blended with the finest Arizona Jojoba Gold cactus oil, which is the best carrier oil for all essential oils. Jojoba oil is treasured on its own as a rejuvenating medicinal for the skin and makes a wonderful massage oil. Each AA contains a proprietary blend of three or four essential oils in pure jojoba. The container is a 15ml. bottle (with spray top) of violet glass, which is known to preserve the vibratory integrity of the essential oils from harmful radiations. Presently we have the following Alchemysteries Aromatics pure essential oils available for purchase at: www.treeoflifeschool.com

Alchemysteries Aromatherapy Kit 1 contains one of each of our six formulae (Jitterbug Perfume, Astral Heaven, Tantrika, Shamanika, Baraka & Nefertum). Cost for each formula is \$36 plus postage or \$222 for the Alchemysteries Aromatherapy Kit (or any 6 of your choice). Or you can order all 12 for \$360 and receive as a gift an alchemical blend that is created just for you! To view the pdf version of Alchemysteries Aromatics label page [click here](#)

Jitterbug Aromatherapy Kit 2 consist of the following 6 formulae:

Magi is a unique formula suggested to us by medicinal aromatherapist Barry Baruch Kapp. Magi contains the magical trinity of galbanum, frankincense and myrrh -- mystical gifts arriving by caravan from the far east. Our Magi is haunting and we have added a topnote of gold by sheer alchemy. This blend is considered to be anti-viral and an anti- cancer formula. We make no medical claims but welcome testimonials!

Merkava is created for meditators who wish to travel to faraway star systems in their light bodies & return to the Garden of Eden right here on earth with a sweet memory of the journey. Rumour has it Merkava is also a love tonic given its mystical infusion of myrtle, rosemary and magnolia. Merkava connects the heart (tipheret) to the crown (keter). Call 1-888-633-2214.

Nervana is a healing ally that helps to balance the central nervous system. This gentle blend creates a devic medicine wheel with the essential oils of juniper, geranium, helichrysum and its resinous sister, immortelle. You can use it to massage all the acupressure points of the ear before a deep sleep (can diminish tinnitus). To re-order call 1-888-633-2214.

Amygdala is an aromatic gift from Mary Magdalene who is in the news again at the close of the age of Pisces. Our sources suggest she cultivated an aromatherapy garden in Migdal overlooking the Sea of Galilee. When you wear Amygdala you will feel deep love and peace as you absorb an infusion of healing hyssop, narcotic spikenard & exotic narcissus.
